

10 A Fire in an Igloo?

i wouldnt light a fire inside the iglue. Itll melt!
Youll have to put on your thick warm jacket
if its to cold. i think we should've staid at
a hotel where we would've been cosy and
warm.

Ana and Sophie sat in their
chairs staring straight ahead for nearly
two hours. They did not talk or hardly
even move, but they were not bored at
all.

Where were Ana and Sophie?

What makes you think so?
